

## New Jersey YMCA Reciprocity Guidelines

As of June 1, 2011, all facility YMCAs in New Jersey have agreed to embark on a twelve month courtesy facility reciprocity agreement. We are committed to work together to ensure that all New Jersey YMCA members are welcome guests at our YMCA branches.

Our goal is to provide a welcoming environment for all YMCA members and ensure a positive experience for both the visiting member and the YMCA of Western Monmouth County.

This Reciprocal Membership Program is valid for YMCA Facility members only, *not* Program or Promotional members. (Promotional members are defined by limited time or limited visit memberships such as summer or holiday memberships, etc.).

The program is intended for the use of our facilities: swimming pools, gymnasiums, racquetball courts, basketball courts, Wellness Centers, Mens / Womens locker rooms.

The YMCA of Western Monmouth County reserves the right to restrict facility / program access if capacity is a concern (e.g. fitness classes, babysitting, Swim Club, lap swim, spin, rock climbing, peak court hours, etc.).

Class enrollment (except for fitness classes) is not a part of this program at this time.
